

Innovations Salon and Day Spa

ISSUE 1

SEPTEMBER 2009

Happy Birthday to us!!

September 13, 2009 is our ten-year anniversary! Thank you to all of our customers for making these ten years such an enjoyable experience. It is funny to think that 10 years ago it was only Jodie Mika and owner Lesa Luna on that very first day. We were just nervously hoping that the phone would ring, and it did!!! And thank to all of you it has continued to ring all of these years.

Price Changes

Beginning September 1, 2009 we will have some price changes and policy changes. Please view our website at www.innovationssalondayspa.com for changes.

Coming Soon:

We have eliminated tanning in order to offer multiple pedicure services. Our tanning bed room is being renovated into a three chair pedicure room. Upon completion, we will be able to accommodate three pedicures at once!! We will still continue to offer UV free sunless airbrush tanning.

Lesla Luna: Lesla is the owner and operator of Innovations Salon and Day Spa. She is 34 years old. Lesla established Innovations Salon and Day Spa in July of 1999. Lesla was 24 years old when the doors opened in Sept 13, 2999. When the business was started it was based on a few simple ideas: bringing a salon and "day spa" to the Caro area that offered more. More services, more customer services, more cutting edge staff and ideas. Lesla was born and raised in Bad Axe, MI. Her parents are Janice (Laceski) and the late Gerald "Jerry" Holz. Lesla has one daughter, Kyler, who is 7 years old. Lesla also has two sisters: Linda (Chuck) Sirianni of Caro and Laura (Ben) Stuart of Haslett. Until recently, Lesla lived in the Caro area for about 13 years. Last August Lesla and Kyler moved to Richmond, MI to live with Lesla's fiancé. Lesla now commutes back to Caro at least 3 days a week and works from 9am until 8pm. On New Years Eve, Lesla became engaged to Aaron Britt. Aaron has lived in the Richmond area for about 13 years. He is a mechanic and works for Fred Grande Ford in Richmond, MI. Lesla and Aaron grew up together in Bad Axe, MI. Their wedding is planned for September 25, 2010.

Did you know?

1. We offer make-up services!! We use Tigi BedHead make-up. It is also available for special order purchase. \$30 per application.
2. We use Schwarzkopf color because we feel it is the best color available for professional use!! It has the lowest amount of hydrogen peroxide and ammonia. What this means to you is stronger, healthier hair with little color fading.
